Dear Byron,

How good to hear from you. And I appreciated the booklet on your firm with your several photos in it. If we only knew what the opinion was on page 11!

Thanks for your comments and good wishes. Pat will get a kick out of the cartoons--it looks as if I'm testing the hot water.

I hope that you will make an effort to get in touch when you are in this neighborhood. Warm regards to you and Diane.

Yours,
